The purpose of Guy Danowski is to build better health through Education, Massage Therapy, Nutritional Supplementation and Dietary Methods, most important, A Balanced and Positive Mental Attitude.

Client is responsible for being on time for schedule appointments.

If the session starts late because client is late, client understands that the appointment still will end on time. Client agrees to pay in full for any appointments. If client does miss or does not cancel at least 48 hours in advance, except in cases we both agree are emergencies, payment in full is required, before next session starts.
